Little do you know  
How I'm breaking while you fall asleep  
Little do you know  
I'm still haunted by the memories  
Little do you know  
I'm trying to pick myself up piece by piece

Little do you know  
I need a little more time

Underneath it all I'm held captive by the hole inside  
I've been holding back for the fear that you might change your  
mind  
I'm ready to forgive you but forgetting is a harder fight

Little do you know  
I need a little more time

[Alex:]  
I'll wait, I'll wait  
I love you like you've never felt the pain,  
I'll wait  
I promise you don't have to be afraid,  
I'll wait  
The love is here and here to stay  
So lay your head on me

Little do you know  
I know you're hurting while I'm sound asleep  
Little do you know  
All my mistakes are slowly drowning me  
Little do you know  
I'm trying to make it better piece by piece

Little do you know  
I, I love you 'til the sun dies

[Alex & Sierra:]  
Oh wait, just wait  
I love you like I've never felt the pain,  
Just wait  
I love you like I've never been afraid,  
Just wait  
Our love is here and here to stay  
So lay your head on me

I'll wait (I'll wait), I'll wait (I'll wait)  
I love you like you've never felt the pain,  
I'll wait (I'll wait)  
I promise you don't have to be afraid,  
I'll wait  
The love is here and here to stay  
So lay your head on me  
Lay your head on me  
So lay your head on me

[Alex:]  
'Cause little do you know  
I, I love you 'til the sun dies
