If I should stay, I'll only be in your way  
So I'll go, but I know I'll  
Think of you every step of the way

And I will always love you  
I will always love you

Bittersweet memories  
That is all I'm taking with me  
So, goodbye  
Please, don't cry  
We both know I'm not what you, you need

And I will always love you  
I will always love you

I hope life treats you kind  
And I hope you have all you've dreamed of  
And I wish to you, joy and happiness  
But above all this, I wish you love

And I will always love you  
I will always love you  
I will always love you  
I will always love you  
I will always love you  
I, I will always love you

You, darling, I love you  
Oh, I'll always, I'll always love you
