I look at you all see the love there that's sleeping  
While my guitar gently weeps  
I look at the floor and I see it needs sweeping  
Still my guitar gently weeps

I don't know why nobody told you how to unfold your love  
I don't know how someone controlled you  
They bought and sold you

I look at the world and I notice it's turning  
While my guitar gently weeps  
With every mistake we must surely be learning  
Still my guitar gently weeps

I don't know how you were diverted  
You were perverted too  
I don't know how you were inverted  
No one alerted you

I look at you all see the love there that's sleeping  
While my guitar gently weeps  
Look at you all...  
Still my guitar gently weeps
