

# Still crazy after all these years

(Paul Simon) G el F

6/8

I met my old lover	1	1/3				
On the street last night	4	7/b7				
She seemed so glad to see me	1	7 <sup>o</sup>				
I just smiled	3 <sub>sus</sub>	6 6 <sub>b</sub>				
And we talked about some old times	5 <sub>m</sub>	1				
And we drank ourselves some beers	4	4 <sup>#o</sup>				
Still crazy after all these years	1	5	6	4 <sup>#o</sup>		
Oh, still crazy after all these years	1	5	4 <sub>m</sub>			
	5	1				
I'm not the kind of man	(4)1	1/3				
Who tends to socialize	4	7/b7				
I seem to lean on old	1	7 <sup>o</sup>				
familiar ways	3 <sub>sus</sub>	6 6 <sub>b</sub>				
And I ain't no fool for love songs	5 <sub>m</sub>	1				
That whisper in my ears	4	4 <sup>#o</sup>				
Still crazy after all these years	1	5	6	4 <sup>#o</sup>		
Oh, still crazy after all these years	1	5	1 <sup>9</sup>			
	1 <sup>9</sup>					
Four in the morning	<6:	4 <sup>Δ</sup>				
Crapped out, yawning	1	1 <sub>m</sub>	>			
Longing my life a--way	<7:	2	5	1	>	
I'll never worry	6	3 <sub>d</sub> 4				
Why should i?	3 <sub>d</sub> 4	1				
It's all gonna fade	4	3 <sub>d</sub>	...			
sax <2:	1	4	1	4	1	4 47(=5)  >
Now I sit by my window	1	1/3				
And I watch the cars	4	7/b7				
I fear I'll do some damage	1	7 <sup>o</sup>				
One fine day	3 <sub>sus</sub>	6 <sub>d</sub> (=5)				
But I would not be convicted	<2:	1	1/3			
By a jury of my peers	4	4 <sup>#o</sup>
