Where there's a will, there's a way, kind of beautiful And every night has its day, so magical And if there's love in this life, there's no obstacle That can't be defeated

For every tyrant a tear for the vulnerable In every lost soul the bones of a miracle For every dreamer a dream we're unstoppable With something to believe in

Monday left me broken
Tuesday I was through with hoping
Wednesday my empty arms were open
Thursday waiting for love, waiting for love
Thank the stars it's Friday
I'm burning like a fire gone wild on Saturday
Guess I won't be coming to church on Sunday
I'll be waiting for love, waiting for love
To come around

We are one of a kind irreplaceable How did I get so blind and so cynical If there's love in this life we're unstoppable No, we can't be defeated

Monday left me broken
Tuesday I was through with hoping
Wednesday my empty arms were open
Thursday waiting for love, waiting for love
Thank the stars it's Friday
I'm burning like a fire gone wild on Saturday
Guess I won't be coming to church on Sunday
I'll be waiting for love, waiting for love

To come around
