| You've got a friend                | 1 | 4                   | 1 | 7 <sub>äm</sub> 3 <sub>d</sub> : |

If the sky above you grows dark and full of clouds  
 And that old north wind begins to blow  
 Keep your head together and call my name out loud  
 Soon you'll hear me knocking at your door

You just call out my name  
And you know wherever I am  
I'll come running, running, yeah, yeah, to see you again  
Winter, spring, summer or fall  
All you have to do is call  
And I'll be there  
And I'll be there, yes I will.

| Now, ain't it good to know that you've got a friend | 2 <sub>7b</sub> | 4              |  |
| When people can be so cold?                         | 1               | 1              |  |
| They'll hurt you, yes, and desert you               | 4               | 4 <sub>m</sub> |  |
| And take your soul if you let them,                 | 6               | 2 <sub>d</sub> |  |
| Oh, but don't you let them                          | 5               | 5              |  |

You just call out my name  
And you know wherever I am  
I'll come running, running, yeah, yeah, yeah, to see you again.  
Winter, spring, summer or fall  
All you have to do is call  
And I'll be there, yes I will.
