Ground Control to Major Tom

Ground Control to Major Tom

Take your protein pills and put your helmet on

Ground Control to Major Tom (Ten, Nine, Eight, Seven, Six)

Commencing countdown, engines on (Five, Four, Three)

Check ignition and may God's love be with you (Two, One, Liftoff)

This is Ground Control to Major Tom

You've really made the grade

And the papers want to know whose shirts you wear

Now it's time to leave the capsule if you dare

"This is Major Tom to Ground Control

I'm stepping through the door

And I'm floating in the most peculiar way

And the stars look very different today

For here am I sitting in a tin can  
Far above the world  
Planet Earth is blue  
And there's nothing I can do

Though I'm past one hundred thousand miles  
I'm feeling very still  
And I think my spaceship knows which way to go  
Tell my wife I love her very much, she knows

Ground Control to Major Tom  
Your circuit's dead, there's something wrong  
Can you hear me, Major Tom?  
Can you hear me, Major Tom?  
Can you hear me, Major Tom?

Can you hear And I'm floating around my tin can  
Far above the Moon  
Planet Earth is blue  
And there's nothing I can do."
